江西阿尔法高科药业有限公司 质检专用章

CERTIFICATE OF ANALYSIS

FILE NO：COA2025-（F）-P-1093 R-SMP-ZL-20-13 REV：01

Product	Polyvinyl Alcohol		
Batch No	AG06251006	Batch Size	1000kg
Type	17-88	Date of Manufacture	2025.10.10
Packaging specification	25kg/bag、Other specifications	Analysis Date	2025.10.11
Inner packaging material	--	Report Date	2025.11.15
Test Item	Full	Expiration Date	2027.10.09
Test standard	USP-NF2024		

Tests	Specification	Result
Appearance	White to cream-colored granules,or white to cream-colored powder.	Consistent with the regulations
Identification	Infrared Spectroscopy	Consistent with the regulations
	It meets the requirements in the test.	Consistent with the regulations
	A dark red to blue color is produced.	Consistent with the regulations
	A white,turbid or flocculent precipitate is formed.	Consistent with the regulations
Viscosity	85.0%–115.0% of the labeled value	100.0%（23mPa·s）
Acid value	NMT3.0	1.3
Degree of hydrolysis	85%～89%	88%
pH	5.0～8.0	5.3
Water-insoluble substances	NMT0.1%	0.05%
Methanol	≤1.0%	0.02%
Methyl acetate	≤1.0%	0.0007%
Loss on drying	NMT5.0%	1.4%
Residue on ignition	NMT1.0%	0.60%
Conclusion	According to the USP-NF2024 detection results are in accord with the provisions.
